Afstemmingslied: **Oh Grandmothers, hear us calling**

Oh Grandmothers
hear us calling
We, your children
are healing

Po-wer, Po-wer,
Our love is our power.

Bekrchtigingslied: **Oh, how we love you**

Oh, how we love you
Oh, how we love you
Oh, how we love you
Oh, how we love you

Net of Light

Net of Light, Net of Light, floating in the Net of Light
Net of light, Net of Light, holding in the Net of Light

Reaching out, reaching in, reaching through the Net of Light
Loving all, serving all, holding all within the light.

Net of Light, Net of Light, Net of Love and Net of Light
Net of Light, Net of Light, our hearts are one within the light

All I ask of you

All I ask of you is forever to remember me as loving you.
All I ask of you is forever to remember me as loving you.

God is the lover, the beloved and the love.
All I ask of you is forever to remember me as loving you.
All I ask of you is forever to remember me as loving you.

Down in the river to pray

Well I went down in the river to pray, studying about that good old way.
And who shall wear the golden crown? Grandmothers, show me the way.
Oh mothers, let's go down, come on down, don't you want to go down?
Oh mothers, let's go down, down in the river to pray.

(Herhaal en vervang "mothers" door "fathers".)

From the Heavens

From the heavens to the earth
From the earth to the hearts of women
To the hands and the heads of men

I am one with the heart of the Mother

I am one with the heart of the Mother
I am one with the heart of Love
I am one with the heart of the Father
I am one with God
Ave Maria, Kyrie Eleison

May all the beings in all the worlds

May the love we're sharing spread its wings
Fly across the earth and bring new joy to every soul that is alive.

May all the beings in all the worlds be happy

May the circle be unbroken

May the circle be unbroken by and by, oh, by and by
Come and open up our hearts now, lift us high into the sky

We are holding one another, singing sweet and singing strong
We are mighty in our loving, we are mighty in our song

Yes this circle is unbroken as we link our hearts in love
Calling heaven down to earth now, peace below and peace above
Calling heaven down to earth now, peace below and peace above

Peace

Peace, peace, peace. Peace in me
Brings peace, peace, peace, peace in my family.
Then peace, peace, peace within my community
Brings peace, peace, peace within my country.
Then peace, peace, peace, peace on earth
Brings peace, peace, peace, through all the universe,
through all the universe.

Love, love, love. Love in me
Brings love, love, love, love in my family.
Then love, love, love within my community
Brings love, love, love within my country.
Then love, love, love, love on earth
Brings love, love, love through all the universe,
through all the universe.

This is Holy ground

This is holy ground. We're standing on holy ground.
For Love is present and where Love is present is holy.

These are holy hearts. Love's given us holy hearts.
Love works through these hearts and so these hearts are holy.

These are holy hands. Love's given us holy hands.
Love works through these hands and so these hands are holy.

These are holy lives. Love's given us holy lives.
Love works through these lives and so these lives are holy.

This is holy ground. We're standing on holy ground.
For Love is present and where Love is present is holy.
For Love is present and where Love is present is holy.

Where I Stand is Holy

Where I stand is holy, holy is the ground.
Forest, mountain, river, listen to the sound.
Great Spirit circles all around me.

Who I am is holy, holy are we.
We are one forever, through eternity.
Great Spirit circles all around me.

Where I stand is holy - Where I stand is holy.
Who I am is holy - Who I am is holy.
Great Spirit circles all around me.
